Williamson County Career and Technical Education (WCCTE)
Serving schools in Williamson County

System courses allow Junior or Senior students the opportunity to enroll in a course of interest at another school site, tuition free. An application process is required and not all courses are approved as system courses. See your guidance counselor for more information and a list of available courses.

DUAL CREDIT CTE COURSES AT Carterville High School - JALC
Medical Terminology

CTE Fun Facts:

- Graduation and placement rates are higher of CTE students (High Quality CTE, College Board)
- CTE Courses provide students with real world examples that assist in better understanding of academic classes.
- Soft Skills such as attention to detail, effective communication and critical thinking are the most in demand skills in today's job market.
